

U.S. FREEMASON & ORDER OF THE EASTERN STAR DIRECTORIES

There is no single government or national database containing every Freemason lodge, Masonic temple, Order of the Eastern Star chapter, or physical meeting building in the United States.

One reason is that a **lodge or chapter is an organization, while a Masonic temple/hall is a physical building**. Multiple Masonic organizations may meet in the same building. Additionally, American Freemasonry is divided among numerous Grand Lodge jurisdictions, including mainstream and Prince Hall organizations.

The following directories provide starting points for locating these organizations throughout the United States.

FREEMASON LODGES — MASONIC SERVICE ASSOCIATION DIRECTORY

Masonic Service Association of North America — Jurisdictional Websites

[Masonic Service Association U.S. Grand Lodge Directory](#)

This directory provides links to Grand Lodge websites throughout the United States.

States generally have their own Grand Lodge, which oversees individual/local Masonic lodges within that jurisdiction. Once you select a state, the state's Grand Lodge website can often be used to locate individual lodges, lodge numbers, cities, meeting locations and contact information.

The directory includes all U.S. states and the District of Columbia.

USE THIS FOR: Finding the official mainstream Masonic Grand Lodge for a particular state and then locating individual lodges through that jurisdiction.

MAINSTREAM + PRINCE HALL FREEMASON DIRECTORY

American Freemasons — USA Freemasonry Directory

[American Freemasons U.S. Directory](#)

This nationwide directory is particularly useful because it distinguishes between **mainstream Grand Lodges and recognized Prince Hall Grand Lodges**.

Its current directory identifies **51 mainstream Grand Lodges** covering the 50 states plus Washington, D.C., as well as **36 recognized Prince Hall Grand Lodges** covering 38 jurisdictions. Some Prince Hall Grand Lodges cover more than one state.

USE THIS FOR: Researching both mainstream Freemasonry and recognized Prince Hall Freemasonry rather than searching only one branch of American Masonry.

ADDITIONAL MAINSTREAM + PRINCE HALL DIRECTORY

MasonicWorld — Masonic Links

[MasonicWorld U.S. Grand Lodge Directory](#).

This is another large state-by-state directory containing links to both mainstream and Prince Hall Grand Lodges.

It also contains links to other Masonic organizations, appendant bodies, youth organizations and Masonic research organizations.

USE THIS FOR: A broad secondary directory when researching Masonic organizations by state, especially when trying to locate both mainstream and Prince Hall jurisdictions.

ORDER OF THE EASTERN STAR

The **Order of the Eastern Star (OES)** is a Masonic-related fraternal organization with chapters throughout the United States.

The General Grand Chapter, Order of the Eastern Star, is headquartered in Washington, D.C. Its structure includes Grand Jurisdictions as well as individual chapters.

OFFICIAL EASTERN STAR GRAND JURISDICTIONS DIRECTORY

General Grand Chapter, Order of the Eastern Star — Grand Jurisdictions

[Official OES Grand Jurisdictions Directory](#).

This is one of the most useful official starting points for locating Eastern Star organizations throughout the United States.

The directory provides information for individual jurisdictions including:

State/jurisdiction
Grand Chapter contact person
Telephone number
Email address
Official state OES website, when available

From the individual state's Grand Chapter website, researchers can often locate individual Eastern Star chapters operating within that state.

USE THIS FOR: Finding the official Eastern Star Grand Chapter for a state and then locating individual local OES chapters.

EASTERN STAR CHAPTERS DIRECTLY UNDER GENERAL

GRAND CHAPTER

General Grand Chapter — Subordinate Chapters of GGC

[OES Subordinate Chapters Directory](#)

Not every Eastern Star chapter operates beneath a state-level Grand Chapter.

The General Grand Chapter maintains a separate directory for **chapters that are directly subordinate to the General Grand Chapter**.

This includes jurisdictions where a separate Grand Chapter may not exist and includes contact information for the appropriate representatives.

USE THIS FOR: Finding OES chapters or representatives that are directly governed by the General Grand Chapter rather than a state Grand Chapter.

INDEPENDENT EASTERN STAR GRAND CHAPTERS

General Grand Chapter — Independent Grand Chapters

[OES Independent Grand Chapters Directory](#)

There are also Eastern Star jurisdictions that are not part of the General Grand Chapter structure.

Most notably in the United States, **New York and New Jersey maintain independent Grand Chapters**. The General Grand Chapter describes itself as maintaining a harmonious relationship with those jurisdictions even though they are organizationally separate.

The official directory provides contact information for these independent organizations.

USE THIS FOR: Eastern Star research involving New York, New Jersey and other independent jurisdictions listed by the General Grand Chapter.

IMPORTANT WHEN SEARCHING FOR PHYSICAL LOCATIONS

A **Masonic Lodge** is an organization.

A **Masonic Temple / Masonic Hall / Masonic Center** is a building.

An **Eastern Star Chapter** is an organization.

Therefore, a search for every Masonic organization will not necessarily produce a separate physical building for every organization.

Several Masonic lodges and Eastern Star chapters may share the **same Masonic Temple or Hall**.
